9

CLASSIC MOJITO

Havana, Cuba, is the birthplace of the Mojito, although the exact origin of this classic cocktail is the subject of debate. One story traces the Mojito to a similar 16th century drink known as "El Draque", after Sir Francis Drake.

We took one of the most popular berries to relish, and turned it into a Mojito. Made with made with Bacardi blanca, muddled with fresh raspberries, mint, lime and raspberry syrup. Served over crushed ice, garnished with mint and topped with soda.

9

TOM COLLINS

First memorialized in writing in 1876 by Jerry Thomas, "the father of American mixology", this "gin and sparkling lemonade" drink is typically served in a Collins glass over ice. In this case we use Bombay Sapphire Gin, fresh lemon and soda served over ice.

TROPICAL COOLER

The earliest known story states that in the 19th century, Puerto Rican pirate Roberto Cofresí, to boost his crew's morale, gave them a beverage or cocktail that contained coconut, pineapple and white rum. This was what would be later known as the famous piña colada. This fresh take on the classic is with Absolut vodka, coconut, pineapple and mint. All aboard!
