Swim School

*The Health Club
at Ribby Hall Village
offers Swimming Lessons for
children aged from 3 years.*

Pre-School Swimming Lessons

Our 30 minute lessons run Monday to Friday during term time with a maximum of 3 children in the water. Our instructor will remain in the water with your child and teach them the first skills of swimming. Following the national plan we will help your child achieve their Swim England awards. This will see the children gain water confidence in a fun and safe environment whilst giving them the skills to confidently progress further into the next swim classes.

Stage 1-7 Swimming Lessons

The start of the swim journey every child should achieve. Our experienced instructors will teach your child to swim unaided, improve their technique and gain the necessary skills to survive in water. This journey is governed by Swim England who provide awards along the way.
