“

That feeling you get when you just know it's right! That's exactly how we felt on our first visit. We fell in love with it.

Nothing was ever too much trouble for the wedding coordinators, I could call at any time to ask meaningful and absurd questions! I was made to feel special, important and relaxed.

Our day was planned to perfection. Every last little thing was streamlined, the staff were incredible and their attention to detail was second to none! I didn't need to remember anything, they had it covered.

The room was gorgeous, the food beautiful and I married the love of my life, at a place we now hold very close to our hearts...

Rebecca and Chris

“ Our wedding day at Ribby Hall was simply perfect. We were blessed with a glorious day, and the ceremony was just beautiful. The summer house was dressed with flowers and swagging and looked delightful, and to spend the afternoon drinking cocktails on the lawn with our friends and family was an absolute dream. The details were exquisite and all taken care of for us, and from the cocktails to the dessert, everyone was talking about how wonderful it was. The team were amazing, making sure that everything ran smoothly, and helping calm last minute nerves. Thank you Ribby Hall for giving us the day we had dreamed of. ”

Frequently Asked Questions

How long can we provisionally hold a suite before we pay the deposit?

Two weeks.

Can the number of guests on a package be changed?

Minimum numbers apply however, additional guests can be added for an additional cost.

How do I confirm my Wedding?

To confirm your Wedding you will be asked to sign a contract including our terms and conditions and pay a non-refundable £500 deposit.

What is the payment schedule?

Once you have paid your initial deposit of £500 there is nothing to pay until 6 months prior to your Wedding Day, which is £1500, then your final balance is payable 2 weeks before the day.

Would you recommend wedding insurance?

Yes, we highly recommend that every wedding at Ribby Hall Village has the appropriate wedding insurance. This not only gives you the protection should circumstances beyond your control arise, but also peace of mind on your special day.

What do I need to do to book a Civil Ceremony at Ribby Hall Village?

Once you have booked your wedding with us you can contact the registry office from 3 years in advance of your wedding date. You can contact them on 0300 123 6705 to book your ceremony time. You will also have to give notice of marriage to the superintendant registrar of the district in which you live. This notice must be given by you both and is valid for 12 months. An attendance fee for the superintendant registrar is payable to them in advance.

What music can we have for the ceremony?

Ribby Hall Village can help you organise different forms of music, e.g. harpist etc. We will also be happy to play any songs that you wish to provide for the ceremony. We would recommend four tracks, one for walking down the aisle, two for signing the register and one for the newlyweds walking out of the ceremony. Please note that ceremony music must be non religious. You may also provide music for the arrival of your guests if you wish, or alternatively, Ribby Hall Village will play background music.

Is VAT included?

Yes, all prices include the current rate of VAT at the time of print.

Can we throw confetti?

Yes, you may throw biodegradable confetti in selected outdoor areas. Please ask your wedding coordinator for details. Please note, confetti bombs and party poppers are not permitted.

Can I provide all guests with multiple menu options?

The packages are based on all guests having the same menu, however you can offer your guests up to three choices for your starter (including one soup option), main course and dessert, at a supplement of £2 per person. This must include a vegetarian option and preorders are required, in table order, 2 weeks prior to your wedding.

Can you accommodate guests with dietary requirements?

Ribby Hall has taken steps to identify dishes and ingredients that may cause allergic reactions for guests with particular food allergies. Please discuss with our team any concerns you may have or ask for guidance from us.

Do you recommend any entertainment?

Ribby Hall Village has various entertainers who we highly recommend, please ask your wedding coordinator for our Finishing Touches brochure. We are also happy for you to select your own entertainment, providing they supply us with public liability insurance to a value of £5 million and safety electrical certification. Please note only Ribby Hall Village's chocolate fountain can be booked, no other supplier can be used.

What time does the bar close?

On Fridays and Saturdays last orders are called at 12:00am and music to conclude at 12:30am. From Sunday to Thursday last orders are called at 11:30pm and music will also conclude at this time.

At what stage do we go through finer details of the day?

Once you have booked your wedding our wedding coordinators are on hand throughout the planning process should you have any questions. We will invite you back to the village two months before your wedding to go through finer details. From this time you will have a single point of contact to discuss any alterations or queries you may have leading up to your special day. We will then meet again two weeks before your wedding to go through everything once more, which is when we require final numbers, a copy of your table plan, any dietary requirements and final payment.
