

Here at Ribby Hall Village, we are committed to looking after our beautiful environment. Our aim is to divert all our waste away from landfill and recycle and reuse as much as possible, you can help us in 2 really simple ways.

WHAT TO DO WITH YOUR WASTE

1. Separate and dispose of waste using the 3 bins provided in your cottage.

GENERAL WASTE BIN	RECYCLING BAG		FOOD CADDY
	paper & cardboard	clean food tins & drink cans	
	mixed glass	plastics	
general waste	A reusable recycling bag is supplied in your cottage which is to be used for your recycling waste		food waste only
A black bin bag and dustbin is provided in your cottage and should be used for general waste			A green food caddy can be found in your kitchen, just pop in the green biodegradable bag provided

2. When your bins are full, please take them to your nearest **Recycling Station** which is highlighted using this symbol  on the village map you received at Check In.

Take black bin liner to the recycling station

Use the Recycling bag to transport items to the recycling station then return the Recycling bag to the cottage

Take the green bin liner to the recycling station

There's information at each **Recycling Station** and the bins are labelled to help you dispose of your waste quickly and easily.
